

WHOLEHEARTEDLY CARING FOR HEALTH

Generali Private Care Health Insurance

Dear Our Partner

If you choose Generali Private Care Health Insurance, you will no longer have to worry about finding the right doctor or hospital to take care of your medical problem: you can either request or book an appointment online that suits you at the private clinic or doctor of your choice by clicking the Book an appointment button.

If you don't want to make your request online, you can also call Generali Medi24 24 hours a day through which health professionals will organize the necessary medical examination for you.

CARING ABOUT YOU AND YOUR FAMILY

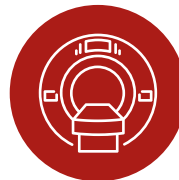

If necessary, you can have ambulatory or one-day surgeries and even oncology examinations covered depending on the selected health insurance plan. Medical screenings are essential for staying healthy and preventing the development of diseases, while an early diagnosis can often increase the chances of full recovery, as well.
